

The Fair is opened at
12 noon by the Mayor of
Cambridge and closes at 5pm

The **Top Field** boasts a picnic area,
over 40 local artists, craftspeople and
food and drink producers. There will
also be dance and gymnastics displays,
live music plus games and activities.

The more traditional **Lower Green** is
where the village tea tent, salad tent
and a bar can be found plus village
games including the coconut shy,
maypole dancing, magic show, live
music and a dog show.

Our Fairground, not surprisingly,
occupies the **Fair Green**

While you're here why not take the
opportunity to explore our lovely village!
